Ryan,

I took another look at our membership records hoping to find your name, but I see that you still haven't become a Heritage Foundation member for 2020. **The Friday deadline is quickly approaching, so I want to make sure you have every chance to get your membership card!**

Here's your secure link to activate your Heritage membership for 2020 now!

It only takes a few minutes, and would be a huge help as we fight to protect and advance your conservative principles in the new year.

Let me know if you have any questions.

Best,

Maggy Smith

P.S. If you don't activate your membership, we won't be able to send you special invitations, this year's member card, or exclusive updates and insider news. Moreover, you'll leave our ability to stop the advancing progressive agenda to chance. Please act now: <https://secured.heritage.org/2020/kickoff>
